The Cryptek™ L-3 6200-SF Secure Fax is a cost-effective, plain-paper compact laser fax with data-rates from 2.4 Kbps to 64 Kbps. This fax meets the requirements of: NSTISSAM TEMPEST/1-92, Level I; C1D09/15A, Level I; and SDIP-27 Level A (providing the equipment and associated systems are installed to the requirements identified in SDIP-29).

Ruggedized and transportable, this fax is compatible with L-3 STE and OMNI SCIP devices, General Dynamics SCIP devices, MSE, STU II, STU IIB, Brent and other NATO Encryption.
Technical Specifications

Compatibility
  • ITU-T G3 (V.34, V.8), ECM

Document Size
  • Max. 10.1 in. x 78.7 in., Min. 5.8 in. x 5 in.

Effective Scanning Width
  • 9.9 in.

Scanner Resolution
  • Standard: 203 dpi x 98 lpi
  • Fine: 203 dpi x 196 lpi
  • Super Fine: 203 dpi x 391 lpi

Scanning Speed
  • 2.8 seconds/page

Coding Scheme
  • MH/MR/MMR

Modem Speed
  • 33.6 Kbps to 2.4 Kbps with Auto. Fallback

Recording Method
  • Laser printing on plain paper

Recording Speed
  • 6.5 pages/min.

Effective Recording Width
  • 8.2 in.

Printing Resolution
  • Fax/Copy: 406 dpi x 391 dpi
  • Printer: 600 dpi x 600 dpi

Recording Paper Tray
  • 250 sheets

Image Memory
  • 8 Mbyte

Power Requirements
  • 99-138 VAC, 47-63 HZ
  • Optional 230 VAC available

Dimensions (WxDxH)
  • 14.6 in. x 18 in. x 9.9 in.

Weight
  • 22 lbs

Standard Features

Auto dialer 132 stations
4 program keys
Remote reception
Polling/Multi-station polling
Receive to memory
Communication journal with image
Journal view on LCD
Panasonic super smoothing
Multipurpose LCD
ITU-T super fine resolution
Deferred transmission
Automatic/fixed print reduction
Substitute reception
Fax forward
50 page ADF
64 level halftone
Multiple copy with sorting
Chain dialing
Automatic memory retransmission
Print collation
Overlapping print
Directory search and sheet print
Automatic fax cover sheet
Intelligent redial

Who is API Technologies?

API Technologies Corporation is a prime contractor in engineered systems, components and secure communications to the global defense and aerospace industry. When information security matters, government agencies and the world’s most trusted companies turn to API Technologies. The company’s areas of expertise span a variety of disciplines, including manufacturing, information security and emanation security.

API Technologies offers a full-line of TEMPEST products under the Cryptek™ (USA), EMCON® (Canada), and SST™ (Europe) brands.
