

# API Technologies Corp. Quality Policy

---

API Technologies Corp. is committed to our mission to:

**Innovate, Design and Deliver High Reliability Products Every Day to Serve our Customers**

To meet this commitment, we work as an integrated team, sharing responsibility for:

- Understanding and fulfilling Customer requirements and expectations
- Maintaining compliance with all customer, regulatory, and statutory requirements
- Investing in developing the capabilities and careers of our employees
- • Continually measuring and improving the effectiveness of our Quality Management Systems to drive organizational performance focusing on Quality Objectives
  - Safety
  - Quality
  - Delivery
  - Cost
- Ensuring the Quality Management System provides the framework to achieve these objectives
